EXIM Thailand Accelerates President Selection Process to Fulfill Its Mission in International Trade and Investment Promotion

Mr. Manas Jamveha, Chairman of Board of Directors, Export-Import Bank of Thailand (EXIM Thailand), reveals that EXIM Thailand is speeding up its new president selection process in response to the Ministry of Finance's wishes to see EXIM Thailand assuming full responsibilities in international trade and investment promotion. This is part of the national economic development strategy to upgrade and boost Thai SMEs' competitiveness in the global market.

According to EXIM Thailand's Chairman, the Board of Directors has appointed the President Selection Committee headed by Mr. Vichate Tantiwanich as Chairman and four other members, namely, Miss Kulaya Tantitemit, Mr. Nopporn Thepsithar, Mr. Mas Tanyongmas, and a representative from State Enterprise Policy Office (SEPO) to set selection criteria and nominate a candidate who possesses appropriate qualifications under the Standard Qualifications for State Enterprise Board Members and Staff Act, 1975 (B.E. 2518), and subsequent amendments, as well as knowledge, competency, and experiences for EXIM Thailand's presidency. The President Compensation Subcommittee has also been appointed consisting of Mr. Chutintorn Gongsakdi as Chairman, Mrs. Duangporn Rodphaya and a representative from SEPO. It is expected that EXIM Thailand's new president selection process will be completed by the end of February 2016.
