EXPORT-IMPORT BANK OF THAILAND

EXIM Thailand Distributes Complementary Issue of “Export and Investment Focus Volume 12”

EXIM Thailand publishes a complementary edition of a pocket book titled **“Export and Investment Focus Volume 12”** on the occasion of its 15th anniversary.

Export-Import Bank of Thailand (EXIM Thailand) published **“Export and Investment Focus Volume 12”** for free distribution to the Thai business communities and the general public on the occasion of the Bank’s 15th anniversary. For the 12 consecutive years, the publication represents EXIM Thailand’s commitment to help increase Thai entrepreneurs’ capability to compete in the international business world by furnishing them with analytical and research information about international trade and investments as well as opportunities of Thai entrepreneurs both in traditional and new markets worldwide. Added to this year’s edition is a special feature titled **“EXIM Thailand : 15 Years for Economic Development,”** highlighting EXIM Thailand’s milestones and Thailand’s economic growth over the past 15 years amidst domestic and international challenges. This is in line with the Bank’s expanding goal, that is **“EXIM Thailand provides not just export finance. We offer economic development solutions.”**

Those interested can now obtain the book at Public Relations Division, 18th floor, EXIM Thailand Head Office or all the Bank’s branches both in Bangkok and other provinces. For further information, **please call 0 2271 3700, 0 2617 2111 ext. 1143-7**
