EXPORT-IMPORT BANK OF THAILAND

EXIM Thailand Appoints Executive Vice President of IT Function Line

EXIM Thailand has announced the appointment of Miss Nareemal Chiengpradit as the Bank's Executive Vice President, in charge of IT function line, taking effect from August 1, 2022.

Export-Import Bank of Thailand (EXIM Thailand) has appointed **Miss Nareemal Chiengpradit as Executive Vice President, in charge of information technology (IT) function line**, to oversee IT management and development, rationalization of IT work processes, IT architecture design and maintenance, internal and external system connections, organization server and software management, and network system security in compliance with international security standards, as well as management of IT system and innovation projects, effective from August 1, 2022 onward.

Miss Nareemal holds a Master of Science in Financial Engineering from WorldQuant University, New Orleans, the USA, and a Master of Science in Information System from University of Colorado, Denver, the USA, and a Bachelor of Accountancy in Accounting Information System from Chulalongkorn University. Previously, she worked for TMB Bank Public Company Limited as Senior Vice President, Team Head of Technology Service Solution, and for Minor International Public Company Limited as Director of Digital Business. Prior to joining EXIM Thailand, Miss Nareemal served as Senior Program Manager, Online-to-Offline Distribution Channel Management Technology and Customer Loyalty Management, Ek-Chai Distribution System Company Limited.
