

Deputy Finance Minister Visits EXIM Thailand Client's Pottery Business in Nakhon Ratchasima

Dr. Paopoom Rojanasakul, Deputy Minister of Finance, along with executives of Export-Import Bank of Thailand (EXIM Thailand), led by Dr. Rak Vorrakitpokatorn, President of EXIM Thailand, visited Korat Sangsuwan Pottery Limited Partnership, a producer of Dan Kwian pottery. The company integrates modern technology and innovation into its production processes, utilizing industrial kilns instead of air drying and ceramic engineering technology instead of wood-fired kilns to enhance product quality and efficiency. The group was welcomed and guided through the production process by Mr. Boonyarid Phayuhaphaisal and Ms. Tosaporn Klungboonkrong, Managing Partners of Korat Sangsuwan Pottery Limited Partnership, at the factory in Mueang District, Nakhon Ratchasima, on July 2, 2024. Currently, Korat Sangsuwan Pottery products are sold both domestically and internationally, with the company actively sharing knowledge to improve community skills and quality of life.
