

EXIM Thailand Holds Training Course on Investment Planning in GMS

Mrs. Kasina Srisaan (center), First Vice President of Strategy and Business Development Department, Export-Import Bank of Thailand (EXIM Thailand), gave an opening speech for the “Overseas Investment Planning : the Greater Mekong Subregion Countries” training program recently held at EXIM Thailand Head Office. The course aimed to furnish entrepreneurs with knowledge on GMS countries and suggestions on export and investment opportunities in the region by experts and specialists from the government and private sectors including Mr. Vallop Vitanakorn (second left), President and Founder of Hi-Tech Apparel Co., Ltd., a garment factory in Lao PDR.
