

EXIM Thailand Holds Talk on “Expanding Export Market...Risk-free”

Mr. Pisit Serewiwattana (center), President of Export-Import Bank of Thailand (EXIM Thailand), together with Dr. Rak Vorrakitpokatorn (right), EXIM Thailand’s Senior Executive Vice President, recently welcomed Mr. Amornphan Aramwatananont (left), Senior Vice President of Sea Value Public Company Limited, Thailand’s leading canned tuna manufacturer and exporter at EXIM Thailand’s Head Office on February 22, 2017. EXIM Thailand’s client joined in the talk on “Expanding Export Market...Risk-free” to share his experience in international trade and risk management in a press conference to announce the launch of EXIM Export Credit Plus, a working capital loan facility combined with export credit insurance. The new product aims to help SMEs to penetrate new export markets or expand business with confidence in the traditional trade arena.
