

EXIM Thailand Achieves Satisfactory Operating Result in 2009

Dr. Apichai Boontharawara, President of Export-Import Bank of Thailand (EXIM Thailand), announces operating results in 2009 at EXIM Thailand's Head Office on February 10, 2010. With declining non-performing loans (NPLs) and higher-than-expected new loans and export credit insurance, the Bank posted a net profit of 347 million baht. In 2010, the Bank will continue to actively expand its business and services, open more sub-branches and improve its business processes.
