

EXIM Thailand Grants Computer Program Scholarships and Renovates Dormitory at Foundation for Support and Development of Disabled Persons

Mr. Pisit Serewiwattana (fourth left), President of Export-Import Bank of Thailand (EXIM Thailand), recently led the Bank's executives and staff to make a cash contribution of 564,042 baht, partly donated by EXIM Thailand's staff, to Mr. Theerawat Thanyalakpark (fourth right), President of the Foundation for Support and Development of Disabled Persons in Nonthaburi. The donation will be used to provide 10 scholarships for computer training program, renovate toilets and library in dormitory building and purchase necessary items for the disabled studying computer science at the foundation to enhance their career opportunities and ability to take care of themselves and families. The activity is one of EXIM Thailand's social responsibility projects for the disabled organized through the Foundation for eight consecutive years since 2012.
