

EXIM Thailand Supports Thai Entrepreneurs
in Improving Production Efficiency with Robots and Digital Technology

Dr. Nattapol Rangsitpol (forth left), Director General of the Office of Industrial Economics, Ministry of Industry and Director of Export-Import Bank of Thailand (EXIM Thailand), together with Miss Draswan Shoowong (second left), Executive Vice President of EXIM Thailand, recently took photo with Mr. Apichin Jotikasthira (fifth left), Deputy Permanent Secretary of Ministry of Industry who presided over the opening of Robotics Cluster Pavilion in the “Manufacturing Expo 2019” and “Automotive Summit 2019” at Bangkok International Trade and Exhibition Centre. EXIM Thailand and other financial institutions joined government and private agencies in supporting Thai entrepreneurs in improving production efficiency using robotic and related technologies by offering financial facilities and advisory services.
