

EXIM Thailand Participates in “Empowering The Next Wave of SME” Seminar to Elevate Thai SMEs for Global Competitiveness

Dr. Benjarong Suwankiri, Senior Executive Vice President of Export-Import Bank of Thailand (EXIM Thailand), joined Miss Pimphattra Wichaikul, Minister of Industry, and other guest speakers from public and private sectors at the Smart SME 2024 seminar, “Empowering The Next Wave of SME,” organized by Post Today, Nation Group (Thailand) Public Company Limited, at the Renaissance Bangkok Ratchaprasong Hotel on June 12, 2024. During the seminar, EXIM Thailand delivered a lecture titled “Empowering and Strengthening SMEs,” emphasizing its role as a specialized financial institution dedicated to providing Thai entrepreneurs, particularly SMEs, with the knowledge, opportunities, and financial support necessary to adapt and expand their businesses in the global market to drive sustainable development and enhance the global competitiveness of Thai SMEs.
