

EXIM Thailand Joins ICISA Annual Meeting as New Member alongside Over 55 Global Insurance and Reinsurance Organizations

Dr. Rak Vorrakitpokatorn, President of Export-Import Bank of Thailand (EXIM Thailand), along with EXIM Thailand executives, took a photo with Mr. Benoit des Cressonnières, CEO of Allianz Trade Reinsurance & President of Management Committee, International Credit Insurance & Surety Association (ICISA), during their participation in the annual meeting of ICISA held in Madrid, Spain, from June 5-7, 2024. The meeting brought together representatives from public and private insurance organizations and reinsurance companies from over 55 countries worldwide. As a new member, EXIM Thailand exchanged information regarding its policies and strategic directions as a Green Development Bank while collaboratively discussing emerging trends in export and investment insurance, as well as reinsurance services, highlighting their importance in mitigating international trade and investment risks for Thai entrepreneurs. The collaborative engagement underscores EXIM Thailand's commitment to bolstering the confidence of Thai exporters and investors in international markets, ultimately fostering sustainable development on both national and global scales.
