

EXIM Thailand Finances Expansion of Water Supply Production
in Luangprabang of Lao PDR

Mr. Kematat Saicheur (center), Acting President of Export-Import Bank of Thailand (EXIM Thailand), witnessed a signing ceremony of additional long-term loan agreement worth 8 million baht between Mrs. Wanpen Unchundacha (second right), Senior Vice President of EXIM Thailand's International Project Department, and Mr. Pira Intaratood (far left), Managing Director of Asia Nampapa Luangprabang Co., Ltd. (ANL), a joint venture between two Thai investors, namely Asia Infrastructure Management (Thailand) Ltd. and Water Solution Co., Ltd., to finance ANL's expansion of water production capacity at its water supply facilities in Luangprabang province of Lao PDR from 6,000 cubic meters per day at present to 12,000 cubic meters per day. The signing ceremony was held at EXIM Thailand's Head Office on May 11, 2016.
