

EXIM Thailand Visits JBIC
to Study a Working Model of World's Leading EXIM Bank

Mr. Manas Jamveha (second left), Chairman of the Board of Directors, Export-Import Bank of Thailand (EXIM Thailand), recently led EXIM Thailand's directors and executives on a mission to visit Mr. Nobumitsu Hayashi (second right), Chief Operating Officer, Senior Managing Director, Japan Bank for International Cooperation (JBIC), the world's leading EXIM Bank, and JBIC's executives in Tokyo, Japan to study its roles, work processes and financial facilities which could serve as a working model for EXIM Thailand's operations as well as cooperation with related public and private agencies at home and overseas. The two parties also discussed cooperation in the future.
