

## **EXIM Thailand Welcomes Study Visit from Highland Research and Development Institute**

Dr. Benjarong Suwankiri, Senior Executive Vice President of Export-Import Bank of Thailand (EXIM Thailand), welcomed executives and staff from the Highland Research and Development Institute (HRDI) on a study visit to EXIM Thailand's Head Office on April 28, 2025. The visit provided a platform for the exchange of knowledge and best practices in key organizational areas. Discussions focused on governance and operational oversight, personal data protection management, internal audit processes, and environmental, social, and governance (ESG) performance reviews. The exchange also highlighted EXIM Thailand's role as a model organization in promoting human rights and upholding organizational ethics, reinforcing its commitment to sustainable and responsible banking practices.
