AUDITOR'S REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

TO : MINISTER OF FINANCE

The Office of the Auditor General of Thailand has reviewed the statements of financial position of the Export-Import Bank of Thailand, as at June 30, 2015, and statements of comprehensive income for the three-month period and six-month period ended, changes in shareholders' equity and cash flows for the six-month period ended, and the condensed notes to the financial statements. The Bank's management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard No. 34: Interim Financial Reporting. The responsibility of the Office of the Auditor General of Thailand is to express a conclusion on this interim financial information based on the review.

**Scope of review**

The Office of the Auditor General of Thailand conducted the review in accordance with Thai Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable the Office of the Auditor General of Thailand to obtain assurance that the Office of the Auditor General of Thailand would become aware of all significant matters that might be identified in an audit. Accordingly, the Office of the Auditor General of Thailand does not express an audit opinion.

**Conclusion**

Based on the review, nothing has come to the attention that causes the Office of the Auditor General of Thailand to believe that the interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard No. 34: Interim Financial Reporting.

## 5.21 Application of the new accounting policy

Since January 1, 2015, the Bank has adopted the new accounting policy regarding the fair value measurement which is in accordance with TFRS 13 Fair Value Measurement.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal market. In the absence of a principal market, the most advantageous market, where is accessible to by the Bank, will be considered.

As at June 30, 2015, the Bank determines level of the fair value hierarchy of financial assets and financial liabilities as follows:

	Unit : Million Baht		
	<u>June 30, 2015</u>		
	<u>Fair value</u>		
	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
<b>Financial Assets</b>			
Derivative assets			
- Exchange rate	-	541.32	541.32
- Interest rate	-	433.64	433.64
Available-for-sale investments	<u>3.44</u>	<u>-</u>	<u>3.44</u>
Total financial assets	<u>3.44</u>	<u>974.96</u>	<u>978.40</u>
<b>Financial Liabilities</b>			
Derivative liabilities			
- Exchange rate	-	57.81	57.81
- Interest rate	<u>-</u>	<u>98.95</u>	<u>98.95</u>
Total financial liabilities	<u>-</u>	<u>156.76</u>	<u>156.76</u>

Fair values are determined according to the following hierarchy :

Level 1 - quoted prices in active market for identical assets or liabilities.

Level 2 - value derived from valuation techniques for which the significant input used for the fair value measurement is directly or indirectly observable in the market.

Level 3 - value derived from valuation techniques for which the significant input used for the fair value measurement is unobservable in the market.

#### **5.21 Application of the new accounting policy (Continued)**

Level 2 fair values for derivatives are the prices which are based on exchange traded prices, broker or dealer quotations, prices of other similar transactions or prices derived by using a valuation technique incorporating observable market data which is adjusted with counterparty credit risk.

#### **5.22 Approval of the Financial Statements**

These financial statements have been authorized to issue by the Chairman of the Board of Directors and Acting President on September 7, 2015.
